10 years of “eBanking – but secure!”

For its 10th jubilee, “eBanking – but secure!” sports a completely new look, complete with an intelligent and “powerful” search function!

The design and all contents of “eBanking – but secure!” have been completely revised and brought right up-to-date for its jubilee. Our search function in particular is very innovative and “powerful”! This can be used to look for specific information. [Try it! \(https://www.ebas.ch/search\)](https://www.ebas.ch/search)

All contents, and therefore also our [“5 steps for your digital security” \(https://www.ebas.ch/en/5-steps-for-your-digital-security/\)](https://www.ebas.ch/en/5-steps-for-your-digital-security/), have been completely revised and adapted to the current state of affairs. To provide basic protection both solid and current, follow these five steps to protect your data and devices:

- 1 – Backing up** data
- 2 – Monitoring** data with the help of antivirus software and a firewall
- 3 – Preventing** with software updates
- 4 – Protecting** online access
- 5 – Exercising care** and remaining alert

Take this opportunity to set out on a journey of discovery, and with a bit of luck even travel up and away. Take part in our competition for a chance to win one night’s stay complete with a welcome drink, 4 course menu in the evening and extensive breakfast buffet for two people!
