Spring 2020 «eBanking – but secure!» courses

We have just released new dates for our popular «eBanking – but secure!» courses for spring 2020. Do register now!

Once again, we are running our popular «eBanking – but secure!» courses in various different Swiss towns this spring. We have just released our new course dates which can be found here – we hope you'll find a course for you to attend near you, too!

Learn about existing threats and how you can increase your safety when working at your computer, and in particular when e-banking, in five easy steps! The course takes around two hours and is offered at a cost price of just CHF 60.00. It is intended for anyone interested of any age, and no special previous experience is required.

Register now at www.ebas.ch/course (<https://www.ebas.ch/course>) and secure your place – before all our courses near you are fully booked!
