As of today: QR invoices

As of today, you can now pay invoices via a QR code instead of using the familiar red and orange deposit slips, which are replaced by these new QR invoices. What should you watch out for?

The launch of QR invoices brings about some changes both for private individuals and companies - in many respects simplifying payments. We have summarised the things that will change and anything you should watch out for in this respect in our [QR invoices \(https://www.ebas.ch/en/qr-invoices/\)](https://www.ebas.ch/en/qr-invoices/) article.
