# Autumn courses 2020

**In about two weeks time, our popular courses on secure e-banking will start. There are sometimes only a very few places left. Do register today!**

Find out which threats there are, and how to increase security when working on your machine, in particular when eBanking, in five simple steps! The basic course, which lasts some two hours, is offered at just 60.00 CHF and is intended for any interested parties of any age. No special prior knowledge is required.

You can register and obtain further information on these basic courses under: [www.ebas.ch/course](http://www.ebas.ch/course)
