“Winter Dreams” competition winner

The “Winter Dreams” competition has now ended. And our lucky winners have been decided!

Over 650 people took place in our phishing test competition over the last few weeks, learning a lot about protective measures with regard to phishing in addition to a chance to win.

The correct answer was “ONLINE”.

Our main prize, "Winter Dreams" on Pilatus, was won by Mrs Brigitte Z. from Basel. The winners of all prizes have been notified in person. The «eBanking – but secure!» team would like to congratulate all winners and to thank everybody for their participation.

«eBanking – but secure!» would like to wish you a joyful and serene Christmas time and a good and secure New Year of 2020!
