

30.10.2020

New: Online courses

Due to the current COVID-19 situation, we unfortunately had to cancel all autumn 2020 courses on site. Alternatively, we are now offering online courses at a reduced price.

We are currently offering our online courses at a price of CHF 30.00 instead of CHF 60.00. You can register and obtain further information on these courses here: www.ebas.ch/course (<http://www.ebas.ch/course>)

Please note that you will need a computer or tablet with an Internet connection and loudspeakers to take part in these online courses. Participants will receive instructions and the course presentation about a week before the course takes place.

For the time being, our courses are offered in German only.

We hope to once again be able to offer some on-site courses from spring 2021 onwards.
