Fantastic returns are pure fantasy

Under this title, our new info sheet calls attention to the issue of online investment fraud.

Our article on the topic of [investment fraud \(https://www.ebas.ch/en/investment-fraud/\)](https://www.ebas.ch/en/investment-fraud/) has been supplemented by a new info sheet, published by “eBanking – but secure!” in cooperation with the Schweizerische Kriminalprävention (SKP). It also addresses the five phases of investment fraud in detail and describes in a practical manner what you should look out for to ensure you invest safely online, too.
