Just a few spaces left: Online course for the under-30s

Move safely around cyberspace, and take part in our first-ever edition of our new online course for the under-30s!

Do you consider yourself a “digital native” fully comfortable using your smartphones and similar devices, but would like to make sure you navigate the Internet safely and with your privacy intact? Then our free [online course for the under-30s](https://www.ebas.ch/en/online-course-for-the-under-30s/) (<https://www.ebas.ch/en/online-course-for-the-under-30s/>) is just the thing for you. In this course, we come straight to the point and explain all the critical threats in cyberspace, and how to protect yourself and your data against them.

Our regular basic course is aimed at those without any prior knowledge and can also be taken from the comfort of your own home, via Zoom.
