Online banks: What you should know

They have smart names such as “Revolut”, “Neon” or “Zak” and promote their low fees and cutting-edge apps: So-called online, smartphone, neo or Internet banks are becoming ever more popular in Switzerland, too.

Read our [new article \(https://www.ebas.ch/en/online-banks/\)](https://www.ebas.ch/en/online-banks/) on what is behind all this, and how to protect yourself.
