# “Am I e-banking securely?” competition

**The “Am I e-banking securely?” competition has now finished. And our lucky winners have been decided!**

Over the past few weeks, more than 6.000 people have taken part in our competition and used our self-test to check their level of security when e-banking. In the process, 60% of participants replied to all questions correctly.

Our first prize, a Samsung Galaxy Tab S7 FE 5G, was won by Mrs Sonja S. from Uster. The winners of all prizes have been notified in person. The “eBanking – but secure!” team would like to congratulate all winners and to thank everybody for their participation.

You will still be able to take our “Am I e-banking securely?” self-test on our [www.ebas.ch/en/am-i-e-banking-securely](https://www.ebas.ch/en/am-i-e-banking-securely) (<https://www.ebas.ch/en/am-i-e-banking-securely>) web page in the future.
