“Am I e-banking securely?” competition

The “Am I e-banking securely?” competition has now finished. And our lucky winners have been decided!

Over the past few weeks, more than 6.000 people have taken part in our competition and used our self-test to check their level of security when e-banking. In the process, 60% of participants replied to all questions correctly.

Our first prize, a Samsung Galaxy Tab S7 FE 5G, was won by Mrs Sonja S. from Uster. The winners of all prizes have been notified in person. The “eBanking – but secure!” team would like to congratulate all winners and to thank everybody for their participation.

You will still be able to take our “Am I e-banking securely?” self-test on our www.ebas.ch/en/am-i-e-banking-securely (<https://www.ebas.ch/en/am-i-e-banking-securely>) web page in the future.
