Cryptocurrencies: What you should know

Bitcoin, Ethereum, Tether and many others are digital currencies and means of payment enjoying considerable attention. To some extent, they even have already entered our daily lives. But what is it these digital currencies promise, and what should you take into account?

Read our [new article \(https://www.ebas.ch/en/cryptocurrencies/\)](https://www.ebas.ch/en/cryptocurrencies/) on what is behind all this, and how to protect yourself.
