Spaces still available: Autumn 2022 courses

Another four weeks or so until our popular courses commence – and there's still spaces available! If you would like to improve your digital security, attend one of our "eBanking – but secure!" courses!

This autumn, we are offering the following on-site and online courses for different target groups. We are sure you will find just the right one too – [Do register today \(https://www.ebas.ch/en/course-overview/\)](https://www.ebas.ch/en/course-overview/) !

Basic course

Our basic course will teach you about current Internet threats and the basics of easily protecting yourself – with our "5 steps for your digital security" – against them. You will also learn how to apply some simple rules for secure e-banking.

Online course mobile banking/payments

This online course focuses on how to securely handle mobile devices, i.e. smartphones and tablets. You will be introduced to mobile banking and mobile payments, find out about current threats and learn the basics of how to best protect yourself. Another subject of discussion will be the world of Internet banks.

Online course for the under-30s

This online course will teach you how to use your everyday devices – like your smartphone – securely. Next to these basics, we will also show you what's important to know when using social media (WhatsApp, Instagram, YouTube, Facebook, etc.), and how to securely use clouds (Dropbox, etc.). And last but not least, we have some useful tips on secure mobile banking und mobile payments.
