5 recommendations for SMEs for remote office working

Remote office working means leaving the secure, organised and controlled environment of company premises behind. This situation requires specific technical, organisational and personal measures to ensure business data are kept safe.

Read up in our [new article \(https://www.ebas.ch/en/5-recommendations-for-smes-for-remote-office-working/\)](https://www.ebas.ch/en/5-recommendations-for-smes-for-remote-office-working/) how to work safely from home.
