Merry Christmas and a very secure 2025!

Extra caution is required towards the year end. There's a long tradition of online fraud over Christmas.

Over 1'180 people took place in our phishing test competition over the last few weeks, learning a lot about protective measures with regard to phishing in addition to a chance to win.

Our main prizes were won by Mrs N.F., Mr B.B., and Mrs C.G.. The winners of all prizes have been notified in person. The «eBanking – but secure!» team would like to congratulate all winners and to thank everybody for their participation.

Keep protecting yourself with our “[5 steps for your digital security \(https://www.ebas.ch/5steps\)](https://www.ebas.ch/5steps)” in 2025 as well, and keep up-to-date with our [Newsletter \(https://www.ebas.ch/newsletter\)](https://www.ebas.ch/newsletter).

“eBanking – but secure!” would like to wish you a happy and peaceful Christmas and a good and secure 2025!
