

# Short links

The following list shows all short links (redirects) for our “eBanking – but secure!” website.

Our pages will automatically display in the correct language (your browser/operating system language is automatically detected). In case you would like to link to a specific language version, you can use the “long” URL parameter including the relevant language specification (de, fr, it or en)

Example: [www.ebas.ch/5steps?lang=fr](http://www.ebas.ch/5steps?lang=fr) (<http://www.ebas.ch/5steps?lang=fr>)
